

### **Pre-consultation Form**

Please answer all of the questions below when they are relevant to your context. Please give us as much detail as possible. Once completed, please return this form to **info@docterre.ca**. This information will be used to prepare our consultant so that he or she is well prepared for your consultation.

### **Fees**

The consultation fee is \$150 +tx.

### **Agronomist partnership**

In Quebec, all agronomic services will be offered by our partner CarbOne Biodiversité. Together Docterre and CarbOne Biodiversity offer our customers a combination of agronomy and soil ecology. These services are subsidized for agricultural producers in Quebec via AgriConseil. This partnership is also available for customers outside Quebec upon request.

Company name:

Your full name:

Telephone number:

Address:

1. What is your production (Types and annual quantity approx.) and area:

2. Which of the following services apply to your needs? You can choose one, several or all of the options below (Write an X next to the letter that designates the option):
